

Empowering through EDUCATION

An effort to provide under-privileged children with a facility to better their lives and grow up as responsible citizens.

DRIVE AWAY POVERTY WITH EDUCATION

Our aim is to drive away the poverty in the rural and urban areas around Hyderabad, Telangana and Andhra Pradesh of INDIA in general by educating the poor but meritorious children.

They deserve a shelter to live in to continue their studies and achieve their goals in life and become what they want to be.

That is how the idea of Construction of a Hostel for the poor and needy children has cropped up.

Construction of Hostel

Lord has not given everything to everyone BUT
He has given us an opportunity to help the
under-privileged ones.

This is an humble effort of this organisation
registered vide Registration No:208/2008 in the
Office of the District Registrar, Hyderabad to
help the needy children.

!!! Sarve Jana Sukino Bhavantu!!!

Who we are

We are a group of professionals and businessmen who would like to put an effort to make better tomorrow.

It is our social responsibility to contribute to the society, the poor and needy in particular. From where we are, let us lend a helping hand to the deserving ones, wherever they are. So Charity begins at home.

!!! Sarve Jana Sukino Bhavantu!!!

Association Registration & Taxation

This association has been registered with registration No.208/2008 at Hyderabad, India

The association has also obtained income tax exemption under section 80(g) for life time due to which the donor will get tax exemption as per rules in vogue in India. [orders issued by director of income tax (exemptions) Hyderabad, India f.No.Dit(e)/80g/94(03)/10-11 dated July 25, 2011]

Similarly , this association has obtained income tax certificates under 12a which exempts the association to pay the tax on the donations realized by the association. [orders issued by director of income tax (exemptions) Hyderabad, India proceedings no. Dit(e)/12a&80g/02(07)/09-10 dated August 12, 2009]

Construction of Hostel

Construction of hostel for the poor and needy students in Kammaguda (Near B.N.Reddy Colony) – Hyderabad city, India which provides the children an amicable atmosphere to study effectively and better their future. We can find the route map and proposed structure [here](#).

Proposed Hostel Building

After making a thorough search for the proper location a convenient place for proposed construction a land admeasuring 875 sq. Yards is identified and purchased and got registered in the office of the sub-registrar, Vanasthalipuram, Hyderabad, vide document no.635 on February 13, 2014 India at a cost of INR 35 lakhs.

Proposed Hostel permissions

Foundation stone was laid on 2nd March, 2014, which was attended by many prominent and eminent people from various walks of life.

Required permissions from gram panchayat for construction of Ground plus Two floors has been obtained to start the work with letter no.31/2014 dated May 26, 2014.

An agreement with the contractor has been entered into on August 01, 2014 for construction of ground floor in the initial stage at a cost of INR 75 lakhs

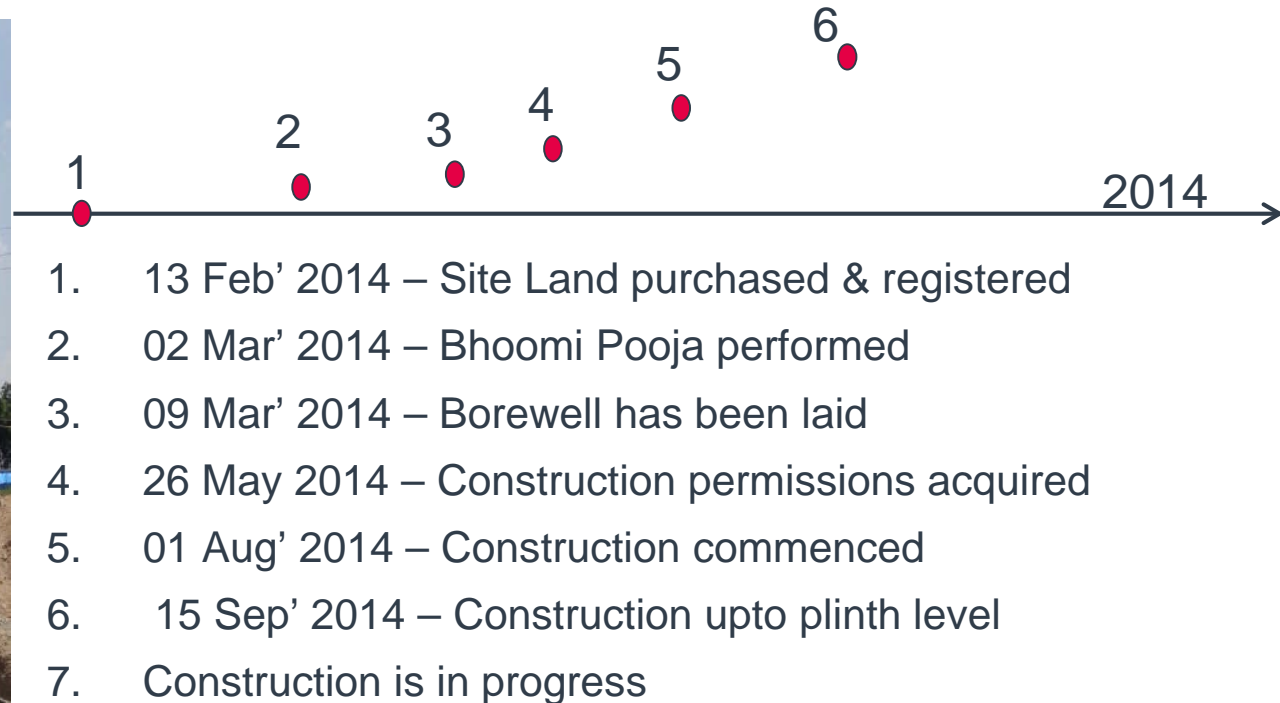

Proposed Hostel Present Target

Construction work for the Ground floor only, whereas the design of steel structure is made for construction of Ground plus Five floors

Construction of rest of floors will be taken up during the course of time based on the receipt of funds through donations from **Generous Donors**

Progress of the project

Out of 875 Sq. Yds., the proposed built-up area is 700 Sq.yds.
(About 6,300 Sq. Ft.)

Excavation work with the foundation for G+5 Floors has been completed.

Required steel for the above work has been obtained.
